RATIONALE TO SUPPORT DETERMINATION : This is an ADAPTER MOUNTING with a military TDP designed for use on the M171 MOUNT. This item is not used, sold/leased, or offered for sale to the general public. It has been purchased in the past as a noncommercial/military item using FAR Part 13 and has not been purchased using FAR Part 12. A commerciality request form was sent to the last supplier, SEILER INSTRUMENT, and they confirmed that this item is not commercially available and there are no commercial applications for this item. Based on previous history this will be procured as a non-commercial item.							
MARKET RESEARCH EFFORTS: 1. TPD is adequate for procurement with restrictions 2. Solicitation will be posted to FBO for public viewing. 3. SMALL BUSINESS OPPORTUNITIES MARKET RESEARCH was conducted on 03/27/2019 using the Internet and SBA. The SBDS revealed several dozen profiles matching this criteria, also this was previously purchased from a small business (SPRDL1-18-P-603, SEILER, Cage11934) . This will be SET-ASIDE for SMALL BUSINESS. (Consider the following: who conducted the research, techniques, sources, competition, small business research, etc.) The extent of the market research should be conducive to the complexity, scope and urgency of the requirement. (See Market Research Job Aid #035).
